Retraction notice *

The editor would like to announce the retraction of the manuscript titled " Optimization of chemical bath deposited CdSSe thin films " by M. A. Jafarov, E. F. Nasirov, V. Mammadov, S. A. Jahangirova, published in Chalcogenide Letters Vol. 20, No. 9, September 2023, p. 657 - 661, <https://doi.org/10.15251/CL.2023.209.657>, for the reason of research misconduct.

This article was identified as having intentional plagiarism issues regarding it's content, by rewriting someone else's work without attribution.

The editorial staff of the journal would like to apologize for the misunderstanding and technical error that led to the publication of the article in this journal.

Managing Editor

Dr. Iosif - Daniel Șimăndan
